

CHARACTER PERFORMER INFORMATION

Here are examples of how CAPTAIN AMERICA may pose. For photographs, make the guest the center of attention and the main focus of the photo. Notice the placement of his hands and arms in the examples.

CAPTAIN AMERICA BIOGRAPHY

Steve Rogers, fondly known as Captain America, was born in the city of New York, in the US. He was a victim of the Great Depression and constantly fell sick during his childhood. However, even during the worst struggling times, he was a hardcore patriot who was hardworking and honest. His undesirable state of health or wealth never shunned him from seeing the American dream of fighting against Nazis.

Ironically, when he applied for the Army, he was not selected due to his poor health condition. However, Steve pleaded to the officials earnestly and this was noticed by General Chester Phillips who agreed to select him on the condition that he would undergo rigorous training, trials and tests.

Steve was put through Operation: Rebirth, and at the end of these sessions, he came out as a fit man with an athletic body. He was also trained in judo and boxing. Later, Steve came to be known as Captain America, the brave committed soldier warrior who dedicated his entire life to the cause of liberty and freedom of his nation.

Captain America was known more as a defender and protector who loved his people and ideals. His ethical code and unconditional loyalty made him one of the mightiest icon who did not allow corruption enter his way. His only weapon to fight for democracy was a heavy shield made of a strong metallic alloy.

Captain America did not belong to any particular political party. He never feared fighting against the Nazis until the year 1945 when he froze alive in the Arctic Ocean during tragic explosion.

CHARACTERISTICS OF CAPTAIN AMERICA

In our current society, Captain America is seen as the nice guy. He is kind, honorable, and stands for everything good in America. In the movie "The Avengers," he is certainly the most kind and moral out of all the heroes in the group. As such, Captain America is definitely a fan favorite, and he has a large following of admirers.

Why is he so beloved? There are many reasons behind this. I would argue that most Americans are lovers of the underdog, and Captain America definitely has humble beginnings. We can relate to him because he started out just like us. On the other hand, we admire him because of his bravery and willingness to make sacrifices. He transcended his circumstances, something that inspires us, because we all hope that we can do the same thing. It's also refreshing to see such a noble and down-to-earth superhero. It becomes clear why Iron Man and Captain America didn't get along in The Avengers. Steve Rogers is humble in all the ways that Tony Stark is not.

As for his powers, Captain America doesn't have any innately. All his powers stem from the Super Soldier Serum given to him by Dr. Abraham Erskine. Though his powers are not superhuman, they are at the height of human

potential. His strength, speed, reflexes, and regeneration are enhanced, however, because they do not fatigue, allowing him to do far more in a shorter amount of time than any regular human.

Once “on-stage” or in public view, you should remain in character at all times, paying close attention not to do anything that may be inappropriate. This would include things such as making adjustments to your attire or under garments, touching your face to pick your nose, and so on. Give hugs, hold hands, give pats on the back. Try and refrain from touching people’s faces or playing with their hair (it may be a wig).

When taking photos, use the photos in this document as helpful hints. Get people to pose like you. Get down on a child’s level. For the ladies, always kneel down to a child’s level, rather than bending over.

Please be aware your environment, please DO NOT climb on tables, chairs or any other inappropriate places. Especially if we are Guest in a location. Conduct yourself in a professional manner. You represent Wolfe Mountain.

When taking photographs, please make sure your hands are visible at all times.
