

Sleeping Beauty

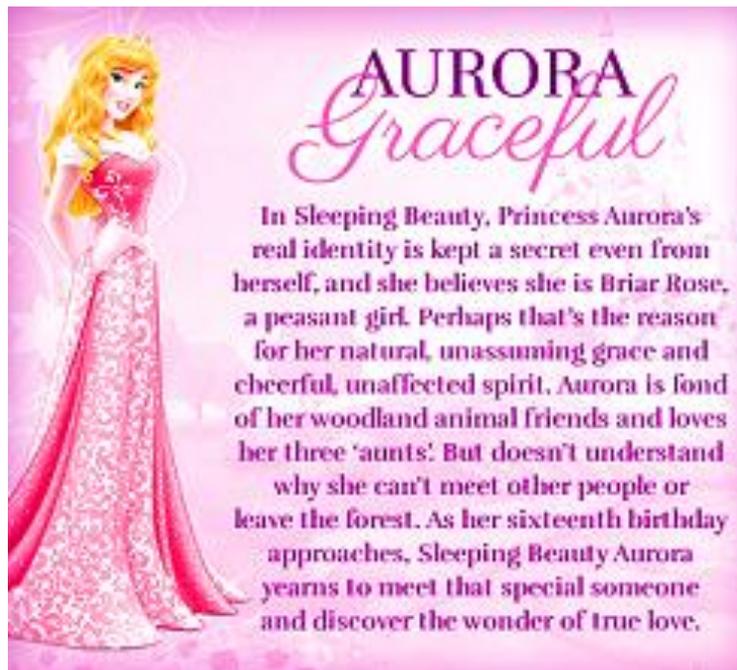

Here are examples of how SLEEPING BEAUTY may pose. For photographs, make the guest the center of attention and the main focus of the photo. Notice the placement of her hands and arms in the examples.

Characteristics

Sleeping Beauty is kind, elegant, sophisticated and a gentle person as well as a hopeless romantic. At first, she is seen as a slightly naïve and carefree young woman as a result of being sheltered for most of her life. Sleeping Beauty is very loyal to her “aunts” and usually obeys their rules respectfully, although she may disagree with them. Since she was raised not to talk to strangers, Sleeping Beauty was naturally startled and apprehensive when the handsome Prince Phillip appeared in the forest. However, she was drawn to him before remembering her aunts’ rule about talking to strangers. Sleeping Beauty then compromised in agreeing to talk to him again by arranging to meet him at her cottage, under the supervision of her aunts. In later media, she is shown to have matured and become more self-assured, proactive, independent, and confident in her opinions and abilities. Though it can arguably be said that as a character, she is very difficult to pin down, due to her short appearance in the movie.

MALEFICENT

Once “on-stage” or in public view, you should remain in character at all times, paying close attention not to do anything that may be inappropriate. This would include things such as making adjustments to your attire or under garments, touching your face to pick your nose, and so on. Give hugs, hold hands, give pats on the back. Try and refrain from touching people’s faces or playing with their hair (it may be a wig).

When taking photos, use the photos in this document as helpful hints. Get people to pose like you. Get down on a child’s level. For the ladies, always kneel down to a child’s level, rather than bending over.

Please be aware your environment, please DO NOT climb on tables, chairs or any other inappropriate places. Especially if we are Guest in a location. Conduct yourself in a professional manner. You represent Wolfe Mountain.

When taking photographs, please make sure your hands are visible at all times.
