# SNOW WHITE

and The Seven Dwarfs

Here are examples of how SNOW WHITE may pose. For photographs, make the guest the center of attention and the main focus of the photo. Notice the placement of her hands and arms in the examples.

## Characteristics

Snow White is a princess, and the "fairest of them all". She is described by her stepmother's Magic Mirror as having "hair as black as ebony, lips as red as the rose, skin as white as snow." Though she is first seen in rags at the film's beginning, Snow White is most well known for her iconic dress with a blue bodice, puffy red and blue striped sleeves, an ankle-length yellow skirt with a self-sewn white petticoat and a high white collar. along with yellow shoes, a brown cape with a red interior, and a red bow in her hair.

Snow White is innocent, kind, gentle, sweet, and cheerful. Her generous, trusting and helpful nature can cause her trouble, as other people might take advantage of it, such as her vain and evil stepmother. Although she is sensitive and soft-spoken, she can be energetic and stern, such as when she told the Dwarfs to wash their hands or when she scolded the birds for "frightening the poor old lady [the Queen disguised as an old peddler woman]". Snow White is motherly, compassionate and delights in keeping house for the lovable Seven Dwarfs while she waits to meet her beloved prince again. With her kindness and ethereal beauty, Snow White charms every creature in the kingdom except the Queen. also shows great resilience and an inner strength against adversity.
