

CHARACTER PERFORMER INFORMATION

BIOGRAPHY

Born and raised in the Kryptonian population of Argo City, Kara Zor-El was sent by her parents Zor-El and Alura In-Ze (married name Zor-El) to Earth to save her life and meet her cousin Kal-El (in modern versions to look after him). As a teenager and an immigrant, Kara has to learn to fit in a completely different culture while she copes with their family's loss and tries to become a hero.

PERSONALITY

Supergirl's personality varies slightly depending on the incarnation, but she usually keeps several core traits: her kind-hearted although short-tempered nature and her struggle to adapt to an alien environment. This is due to her youth and her upbringing.

POWERS AND ABILITIES

Supergirl possesses Kryptonian standard abilities. She is incredibly strong, fast and nigh invulnerable, and possesses the capability to fly. Her eyes can emit bursts of heat, while vision ranges from the microscopic to the telescopic and is also capable of a broader spectrum than human eyes, able to see x-rays and radio waves. She can hear faint sounds amongst a bustle of noises by concentrating. She can also inhale and expel large amounts of air with which blowing away or freezing a target.

Her abilities stem from Earth's low gravity and yellow sunlight absorbed by her body. In environments with no yellow sunlight, she eventually depletes her stored reserves of energy and loses her powers. Supergirl can also be damaged by the radioactive element known as Kryptonite and magic, since magic ignores natural laws.

Once “on-stage” or in public view, you should always remain in character, paying close attention not to do anything that may be inappropriate. This would include things such as adjusting your attire or under garments, touching your face to pick your nose, and so on. Give hugs, hold hands, give pats on the back. Try and refrain from touching people’s faces or playing with their hair (it may be a wig).

When taking photos, use the photos in this document as helpful hints. Get people to pose like you. Get down on a child’s level. While in costume, if you choose to bend over, make sure you head stays on.
